

Oil Water Separators

Benefits

- Liquid Separation
- Easy To Use
- Lightweight GRP manufacture
- Separation of LNAPL DNAPL
- Cost effective
- Chemically resistant gelcoat
- Fully Automatic
- Low maintenance

Features

- Coalescing media pack
- Lockable and Airtight lid for secure operation
- 60Lt / M flowrate
- Can be set up with float switches and transfer pumps
- Small footprint
- 2 " BSP Fittings

Applications

- Industrial processes
- Oil/Fuel spills
- Remediation projects
